daily talk
breaking the silence

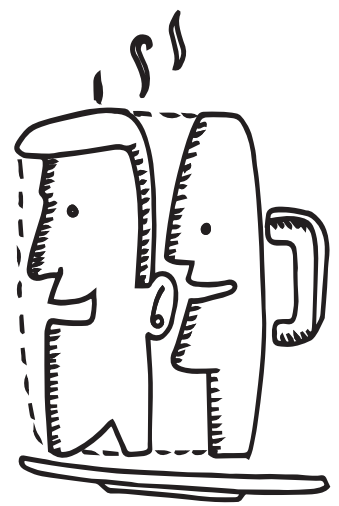

SPAC is a Limited Liability company headquartered in the Kingdom of Bahrain. From its inception in 2003 SPAC has been on the forefront of 'innovation' in the media space by way of both its products and its vision. SPAC manages and operates Bahrain based Daily English Newspaper DT News, 4PM press form an afternoon daily targeted at the Indian community and the Weekender, a guide to making the most of your weekends. Continuing from its success of building influential media brands across the GCC, SPAC is currently embarking on a growth path and would launch market leading concepts across the GCC in the coming years.

daily talk, a venture of SPAC WLL is led by a team of highly experienced professionals who have proven experience in the management and creative outlook with a proper understanding of budget limitations and high expectations. The prime goal is to ensure that our clients get the best services in the Media industry with high customer satisfaction.

The revamped studio comes with a host of new features/latest technologies and extensively experienced team with solid skills that aim to keep a wide range of audience entertained and provide moments which last for a life time.
